

Fully Committed (Omega Sector: Critical Response)

The Texas heat did nothing to stop an elusive criminal Omega Sector: Critical Response agent Jon Hatton is running out of options. If he doesn't get a decent lead soon, a serial rapist will strike again. His best chances lie with the intuitive skills of forensic artist Sherry Mitchell, a beautiful woman struggling with PTSD. In exchange for her help, Jon teaches Sherry to manage her symptoms, and soon they are unable to resist their Texas-hot attraction. With Jon as her lifeline, Sherry uncovers clues that prompt a frightening message from the attacker. Jon knows Sherry's determined to help catch this criminal, but keeping her safe is his top priority. Followed by making her his bride.
