

Outside Edge

When the ice heats up, hearts will melt. Outside Edge follows the life of Will Shaw; a twenty-something skating his way through life, not looking for a relationship until one finds him. Andre is an unlikely lover; shy yet passionate but somehow a perfect match for Will's confident and bold personality. Do opposites really attract? Can the external influences shatter the relationship Will and Andre have begun to forge? Grab your boots and glide along with them, but remember the ice is slippery and sometimes there isn't anyone there to hold your hand. Outside Edge is a love story for the modern age, a contemporary romance with some adult content, intended for an 18+ audience.
