

In love with Ella Tennings In school, Alex Mansbridge had been in love with Ella Tennings. She was everything Alex wanted to be-gorgeous, confident and out. Arriving at a twenty year reunion, Alex is intrigued to find out what happened to Ella. What she discovers surprises her though. Years have passed and they have not been kind to Ella, who has been through heartbreak and tragedy. As they two women catch up, they form a friendship which is based on mutual respect but also attraction. Can it remain a friendship or is there more to it than that? Could romance be on the cards? Find out in...In love with Ella Tennings. The Last Time Annie Holmes has just moved back to her childhood home of Highcliffe on the South Coast of England. She and her daughter, Alice are making a fresh start and are both excited by their new life and home. What neither of them expected was an unexpected face from the past. Annie bumps into Lara Mathison who she knew when she was 18. The women share a past which they both don't want to address for different reasons. When Annie and Lara's daughters become friends, they become involved in one another's lives again. As they reconnect, they finally discuss the last time they saw each other. Old feelings are reignited and a flame is lit. With Annie and Lara unprepared for the storm their reunion causes, can they make it work? Find out in...The Last Time.
