

## The Goodmount Chronicles - The Lady of Lyngford

Book One: The Goodmount Chronicles - The Lady of Lyngford How will life be lived and love found throughout the chaos that was 14th century England? Famine, war, pestilence, and uprisings walked side by side with the growth of the common tongue of English and the beginnings of freedom of religious thought. It was a century unparalleled for the changes it wrought in English society. Jane Goodmount, the heroine, tells the story of how her life of tranquillity is destroyed, as forces beyond her control tear her family apart. How she meets these challenges-from the gentility of her life at Lyngford, to the stews of London, and the plague victims burial ground at Clerkenwell, to the war ravaged countryside of Northern France and finally home to peace once more in Lyngford, is testament to her inner strength and the power of the human spirit.
