

Poetry Of Life Volume 1

If you love poetry then you will love Poetry Of Life Volume 1. The poems in this book are inspired by real life events and emotions. Each poem tells a unique story based on lost love, searching for love, the pain of life, the dark side of life, heartfelt or humorous, as well as a variety of other subjects in poetic form. You never know what will come next as each poem is written to incite thought and adventure to the reader. You may feel you are reading about someone you know and what they are going through or maybe what you yourself are feeling in life. Poetry Of Life Volume 1 pulls at the heartstrings with the rawness of emotions in life yet any real similarity to a real event is pure coincidence. If you are craving a ride through various emotions in life through poetry, then read Poetry Of Life Volume 1 and see where it takes you. This book contains little to no profanity.
