

Pure Heart

Pure Heart: Restoration of the Heart through the Beatitudes is a journey into the deep treasures of Jesus Sermon on the Mount. Each chapter addresses one of the eight Beatitudes in a unique approach to inner healing. God longs for us to know Him, and He wants to heal the wounds in our hearts. You may find it difficult to receive love from God or from others because of past abuse or neglect, but desire to go deeper into the Lords heart. This book is for you. You will discover Gods abiding affections toward you and explore His promises over you. As you seek Him for healing, may He restore your heart to wholeness and fulfill the promises of blessing in your life. Tom and Donna Cole have ministered in restoration of the heart and inner healing since 1989. Their desire is to see the Church walk in fullness without the hindrance of wounds and shame. They have spoken nationally and internationally on the healing heart of the Father and speak at conferences, seminars and retreats on issues such as the deeper Christian life and having a life of prayer. They also speak at Pure Heart seminars and retreats, based on this book. For more information, you can visit their website at www.pureheartseminars.com. Tom and Donna reside in Kansas City, Missouri with their four children.
