

Sophia: Experiencing 2nd Thessalonians, Chapter 2

SOPHIA is based upon an esoteric Alternate Translation of 2 Thessalonians, Chapter 2, in which Paul warns the Thessalonians about the danger of doctrinal seduction by the female deity known to the Greeks as Sophia. Sophia has been known by many names throughout the ages, including, Diana, Astarte, and Ashtoreth. Today, however, she is known by the New Age Movement and other philosophies, as the Goddess.
