

Love You, Loveday

Angel Loveday thought he had put his past behind him. A cult film star of the 1980s, Angel lived through some manic times, but now enjoyed a quiet life with his teenage son Oliver. But his peaceful existence was soon turned to chaos when his old videos began showing up at the small bookshop he owned in Redondo Beach. Having hidden his sexuality and his sordid history from his son for almost seventeen years, Angel is crushed when Oliver begins to unravel the secrets of Angel's past. As the harassment of this ex-soft porn star begins to escalate, Angel finally gets the police involved. When the report of the incident appears on the desk of Detective Billy Sharpe, Billy can't believe the heartthrob of his youth is alive and living locally. When Billy meets with Angel to discuss the case, the attraction between them is instant. Can the detective save Angel from a demented stalker? Or will Angel finally fall prey to a crazed fan? It becomes a race against the clock to stop a cold-blooded fiend.
