Real love is out there....Kaileen Rosenberg will help you find it. From the costar of the groundbreaking series Lovetown, USA on OWN: Oprah Winfrey Network, this is an encouraging, inspiring audiobook to help you get past the things holding you back from finding real, authentic love. Kaileen starts with a physical, mental, and emotional self-appraisal, which asks you to examine the things you don't want to admit are holding you back, and helps you discover what you need to work on to have the best shot at finding a soul mate and creating a fuller, more rewarding love life. She then lays out a fail-proof, step-by-step thirty-day plan that will lead you to love when you have made yourself love-ready. Kaileen has an inspiring personal story; she is living proof that love and faith can overcome any kind of challenge. Her methods are proactive, with unique exercises such as self-appraisals and love shopping, but they're rooted in a spiritual understanding of love, which she sees as our highest calling. This audiobook will help you put bad dating habits aside so you can figure out what really matters and find the partner who is right for you. Full of exercises and practical tips, this is a guidebook for people who are serious about finding real love, right now.
