

Far From Minimal: Celebrating the Work and Influence of Philip R. Davies (The Library of Hebrew Bible/Old Testament Studies)

Marking the 60th birthday of Professor Philip R. Davies, Dr. Duncan Burns and John W. Rogerson, his former student and colleague, respectively, aim to do him justice. They have comprised articles from their peers to reflect on the impact Professor Davies has made in three particular areas of study: Hebrew Bible, Qumran, and Palestinian Archaeology; New Testament and Early Judaism; and Biblical Interpretation. The breadth of this volume aims to reflect the scope, interest, and influence of Professor Davies from the last 30 years.
