

RePurposed: The Art of Winning Through Letting Your Obstacles Lead The Way (Epic Life Series)

When it comes to accomplishing anything significant, obstacles are not just unavoidable they are inevitable. Since this is a fact of life why not learn how to leverage obstacles into inevitable success. Obstacles do not have to be roadblocks; they can become reliable roadmaps that will lead you to achieving even more than you ever thought possible. You just have to learn how to read them correctly. Repurposed is all about helping you turn your setbacks into setups for your success. Its a very quick and practical read that gives you a pragmatic playbook for making significant things happen and getting tough things done in and through your life. Byron Davis is an accomplished world-class athlete, speaker, and trusted authority coach. He has worked with some of Americas top companies and organizations helping new executives, small business owners, and entrepreneurs position themselves among the most influential, well respected individuals in their organization and industry. Byron is passionate about helping people live there epic life, both personally and professionally. Each one of us is given time, talents, and opportunities to usher our dreams into reality. This is our birthright. If we choose not to invest our life to this end we forfeit that birthright and become destined to live out our days as just a part of someone elses dream. Either you choose to live your own dream or by default you live someone elses. The choice is always yours to make! It is never too late to live your epic life. The key is choosing to Repurpose it! Byron Davis? Byron lives in Southern California with his wonderful wife Annett, and two awesome kids Mya (son), and Victoria (daughter). you can connect with him via Twitter @ByronDavis7 and at byronDavis.co (No not com...
