

Rhuuls Flame (Realms of Possibilities Book 1)

Rhuuls Flame is the first in a new romance fantasy series from author Nulli Para Ora that will sweep you away to magical realms where sometimes it takes more than magic to win the heart of the one you love! Of all the species of the twelve realms, Rhuul is unique. The product of two races who despise each other, he is reviled by his family and unwelcome in his homeland. Exiled, he finds himself in a new realm with beings he's never seen before. They're not important; only his destiny is. Driven to prove his worth, he seeks to rule a realm of his own. Nothing will stand in his way, and no one will change his focus. Or so he thinks. When a mysterious woman calls out for help through his dreams, he searches her out. When they meet, she's unlike anyone he's ever encountered. Can they set aside their beliefs to work together? Can love bloom when their ideals are exact opposites?
