

More like a gangland war for turf and loot than chivalry, the War of Roses disrupted the life of the English commoners for hundreds of years. Roan Rose is the story of one of these, a girl born on the Yorkshire dales. When the Countess of Warwick, decides to take sturdy, gentle Rose to Middleham Castle to be companion and bed-time poppet for her youngest daughter, her fate is changed forever. Rose bonds strongly with Anne Neville, her young mistress. She also meets a royal boy enduring his knightly training—Richard of Gloucester, King Edward's little brother. The noble children have illness and accidents as they grow, but Rose remains a constant, always there to nurse and serve. Rose bears intimate witness to the passions, betrayals, battles and all the reversals of fortune which will shape her lady's life—and her own. Anne Neville will briefly become a Queen, and Richard, Rose's secret love, will become a King, one whose name has become synonymous with evil. When the King is betrayed and slain at Bosworth Field, Rose returns to a peasant's hard life. She has one final service to perform. ...a beautiful story of love and loyalty set during the tumultuous reign of Richard III. ...I loved the strength of this woman... ...Powerful Sense of Time and Place... ...Waldron certainly knows her history... Yet despite its accuracy ... Roan Rose is ultimately a book about character.

Three Empires on the Nile: The Victorian Jihad, 1869-1899, An Independent Wife (Silhouette special edition #46), The UltraSimple Diet: Kick-Start Your Metabolism and Safely Lose Up to 10 Pounds in 7 Days, Die widerspenstige Aphrodite (German Edition), The Guardian (Sparks, Nicholas (Large Print)), One Fiancee To Go, Please (Mills & Boon Silhouette), Principles of Religious Life (Classic Reprint), Manuscripts of the Bible: Greek Bibles in the British Library, Evangelium: Die gute Nachricht (German Edition),
