

Running Towards Love

A novella based on the characters from IS LOVE ENOUGH. For ten years, Danny and Nikki Camarelli have shared everything until Nikki overhears a conversation leading her to believe his honesty has been nothing but a lie. When Nikki disappears for a few days, Danny is frantic with worry before he finds out she has traveled to visit their best friends in Texas. Shortly after she arrives, Nikki confides the horrible truth to Jason and Rebekah Taylor, completely unsure as to what her future holds. But Danny won't give her up without a fight. Can Nikki remember all the reasons she should be RUNNING TOWARDS LOVE before it's too late?
