

## Sessions with Mark: Following Jesus at Full Speed

Sessions with Mark is a ten-lesson study designed to provide a compelling look at the Gospel of Mark. Each session is followed by a thought-provoking page of questions that allow for a deeper experience of the scriptural passages. These resource pages can be used by seminar leaders during preparation and group discussion, as well as in individual Bible study. Immersing us in the Gospel of Mark, Michael D. McCullar and Rickey Letson reveal Jesus as a person of intense passion, energy, and drive. Mark portrayed Jesus as powerful yet benevolent, healing the sick, calming storms, exorcising demons, raising the dead, and restoring sight to the blind. Mark's Jesus was God on a mission.
