

Safe Harbor

Seven years ago, Blake ran away from the trauma of his fathers death and his romantic feelings for his best friend, Tom. To Blakes surprise when he returns home on Christmas Eve, Tom is at the dock to greet him and tell him hes forgiven for running as long as he has Christmas dinner with Tom and his grandmother, Alice. A cozy family afternoon and filling meal later, Tom and Blake share some brandy and some confessions that make their holiday wishes come true. A story from the Dreamspinner Press 2012 Advent Calendar package Evergreen
