

## Seduced By St. Nick: A Blue Line Series Novella (The Blue Line Series)

A sexy, sassy, holiday romp. Department secretary Trinity Jones isn't looking for Mr. Right. She's searching for Mr. Right Now, the Holiday Edition. Coming off the break-up of a long-term relationship, she's looking for someone to take the sting out of the holidays without a commitment, and the police department's playboy, Nick St. James is perfect for the job. Vice Officer St. James is known for his love and leave lifestyle. Spending most of his time undercover leaves little time for relationships. That's what makes a deal with Trin perfect; one week, no strings, everything goes back to normal the day after Christmas. But he never counted on falling for her.
