

Its My Turn to Be the Hero: The Escapades of Three Tropical Baby-Boomers (The Tropical Three Musketeers Book 1)

Welcome to this work of fiction about three young classmates, Tom, Dick, and Larry, who, during their third-, fourth-, and fifth-grade classes in the mid-1950s, became and remained a tightly bonded entity. As students at Sts. Peter and Paul Catholic School on the island of St. Thomas in the United States Virgin Islands, they had a strict and disciplined education, but as boys growing up in the tropics, they had plenty of territory to explore where they could let their imaginations run wild. And wild did they run! Together, they relived the adventures that they experienced while listening to the Saturday morning childrens stories on the ever-popular radio station, WSTA. And they also relived the adventures they experienced rough and tough western adventures of cowboys of the frontier while attending Saturday matinees at the now-defunct Center Theatre. They totally enjoyed creating and acting-out their adventures, escapades, monkeyshines, devilment, and all-around boyhood pranks and games. As a quasi-memoir narrative, this novel has changed only the names of the characters and their occupations in order to protect their privacy. The names of the radio station, WSTA; their school, Sts. Peter and Paul Catholic School; and their homeland, St. Thomas, United States Virgin Islands, nevertheless, remain unchanged. In this edition, you will be introduced to the history of their adventures, escapades, and old-fashioned camaraderie, courtesy of your narrator, Ms. Jennifer Johnson, currently a neighbor of their parents and was one of their teachers at Sts. Peter and Paul Catholic School on the island of St. Thomas in the United States Virgin Islands. (It turned out that Ms. Johnson, upon her retirement, had coincidentally moved into the neighborhood of the boys, after they, all grown up and with families of their own, had already moved on.) Ms. Johnson is

delighted to share with you their antics, escapes, and adventures while they were in her third-, fourth-, and fifth-grade classes.
