

How Ninja Brush Their Teeth (Rogue Ninja)

(Novelette) Tetsuo is your typical ninja; stoic, loyal to the clan and motivated by honor. But when one mistake gets him demoted to a nine to five job, his once adventurous life becomes a prison of monotony. Frustrated by his clan while being relentlessly stalked by a female ninja rival, Tetsuo reaches his boiling point and seeks out a fight to blow off steam. Unfortunately, he picks a fight with the wrong crowd that leads him on a completely unexpected adventure full of mystery, love and a stray cat. Note to parents: PG-13, with sexual situations and allusions to sex, violence and some strong language.
