

Songs From the Heart: Meeting With God in the Psalms

The book of Psalms is one of the most loved and most read books of the Bible. It has provided comfort and encouragement as readers have been guided into a personal encounter with God. Dr. Tim Riordan has written Songs from the Heart: Meeting With God in the Psalms as a guide to help readers not only to gain a deeper understanding of the Psalms, but also to meet with the God of the Psalms in a life-changing experience in the Word of God. Songs from the Heart can be used as a personal devotion through the Psalms, or it can be a resource for deeper study into the truths of the Bible. The first three chapters provide foundational teaching for the Psalms, and the second section offers thirty-three chapters focusing on thirty different Psalms. You will enjoy Dr. Riordan's personal approach that includes stories and personal antidotes that will help the Scripture come alive in your life.
