

Soul Spa

Soul Spa is a place where tired spirits can find renewal through tools and practices known as spiritual disciplines. During the forty days of readings and Bible study, you will discover meaningful ways to connect with God, allowing Him to restore your soul. Soul Spa provides for our spirits what a spa can offer our bodies: activities and nourishment for a healthy spirit. Soul Spa will explore spiritual disciplines that have been used for centuries as a means of nurturing our relationship to God, examine how Jesus modeled these practices, provide reflection questions and Bible study exercises, respectfully and reverently connect spiritual disciplines with words that start with the letters of Soul Spa. 8 sessions.
