

Journey to Love

Wealthy, debonair bachelor Christian Tyler, a building contractor from Los Angeles, agrees to take on the task of building a youth center in the town of Bethany, Tennessee. Completely out of his element, and unaware of what lies ahead, Christian remains open minded as he uses his skill to pursue the philanthropic opportunity. Shelby Lamar, the towns self-proclaimed gold digger, sets her sights on the handsome new man in town. With a reputation for getting what she wants, Shelby stops at nothing in order to carry out her plan. A chance meeting at the grocery store provides her with enough information to get the ball rolling in her pursuit of adding Christian to her list of benefactors. Unlike her former conquests, Christian does not easily bow down to her advances. What she finds in Christian is a lot more than her next mark. Will he be the one who teaches her the true meaning of love, or will he be blinded by her seduction and become her next victim?
