

Straight to the Heart of 1 & 2 Corinthians: 60 Bite-Sized Insights

Straight to the Heart is a series of devotional commentaries for those who appreciate the insights and sound research found in commentaries but find scholarly writing dry and lacking in personal application. The books in the series do not cover the whole text, but focus on key sections which communicate the main themes of each book. Although the tone is light, the text is full of useful application and backed by substantial scholarship. Its clear, thought-provoking insights will feed both mind and soul.
