

Tala: Wolf (Blue Moon Trilogy Book 1)

19 years after being viciously attacked, Layla is leading a fairly normal life. She is enrolled in college and only one semester from graduation. Things are finally looking up. That is, until she meets her new classmate who is more than he seems, an old guy who may know what happened to her mother 19 years ago, and the werewolf who tried to kill her. With the Blue Moon only a few months away, will she be able to channel her powers and fight or will she succumb to the darkness within her? Get Tala **FREE!!**
