

Word Hard, Love Harder: A Billionaire Pregnancy African American Romance

A true rags to riches story, brought to you by hit romance author Shamika Louis. Zoe is a new undergrad at a prestigious university with a troubled family and past. She managed to get away from her negligent, drug-using mother by becoming a hustler; a profession which also meant she could look after her incapacitated brother. One night when out with her new uni friends, Zoe hustles a cute man by the name of Femi at pool. It results in them going on a date... and then another... and soon they're in a relationship. But Femi has a secret; something about his family's financial position. Can these two people from very different places make a relationship work with pressure from outside? And when Zoe finds out she's pregnant, will they have a choice? Find out in this emotional, high-stakes romance by bestselling author Shamika Louis of African American Club (search us). Suitable for over 18s only due to sex scenes so hot, you'll need your own African prince to fall in love with.
