

A Book for My Friend

A Book For My Friend assumes a shared delight in the beauty of the natural world. It is an ideal gift to bestow on a good friend. Welleran Poltarnees again works his magic at finding the perfect image to vitalize each thought. Here he takes an old poem called 'Let's Be Friends' and makes of it a book that we think will deepen one's appreciation of the natural world and the simple pleasures of daily life.
