

The Hand of God: Finding His Care in All Circumstances

Are we hapless victims of life's whims? Are we driven along by some blind and impersonal force? Are we battered by circumstances beyond all control? A thousand times, No! says pastor and author Alistair Begg. Instead, Begg says we are the objects of God's providential care. We reside under His guiding and protecting hand. In this richly textured study of Joseph's life, readers will see God at work shaping Joseph's circumstances so that he can ultimately redeem and reconcile his family. And they'll see the hand of God in their own lives, lovingly guiding them through their disappointments and struggles to a place of peace. It's an amazing and comforting fact: God rules and overrules in the circumstances of life. God's authority is neither capricious nor vindictive; quite the contrary, God works through the circumstances of life to bring about something miraculous, something abundantly good, even out of what we perceive to be our darkest moments. We can entrust the baggage of our past, the fears of our present, and the prospects of our future to the God who cares.
