

The Handbook of Employee Benefits

The Handbook of Employee Benefits continues to be regarded as the definitive compendium of current knowledge on the subject. Readers will discover: new chapters on Managed Care Alternatives, Preventive Health care, and Evaluating Quality in Health Care; practical examples, charts, and graphs that provide a handy reference for benefits professionals who need to make important on-the-job decisions; new chapters on Mental Health, Substance Abuse, Employee Assistance Programs, Educational Assistance Plans, as well as major revisions in many other chapters.
