

Rogers Return (Truly Yours Digital Editions Book 514)

Jackie and Roger Villeroy spent their first anniversary at Mannys, their favorite restaurant. Roger gave Jackie a gift, but before she could share her surprise with him, a phone message called Roger away. The next thing Jackie knew, her husband was missing - and only his blood-covered cell phone remained. Two and a half years later she is in the park with her little boy - the gift she was never able to give Roger - when her husband emerges from the woods. Where has he been? What happened? Who took him away? And why didnt he contact her? Jackies questions are met only with vague answers. Who is Roger, really? One thing is certain: Jackie must learn to trust God to take care of her - especially when her entire familys lives are in danger.
