

# I Used To Have... High Blood Pressure, But Then I Read This Weird Little Book: High Blood Pressure is Bad. This Book is Good. And Sometimes, Funny.

High Blood Pressure and Heart Disease is the #1 Killer of Adults on Earth. In 2008, my life was directly effected by High Blood Pressure and Heart Disease. And I decided to do something about it. I got my blood pressure back in line, and all of these years later, its reared its ugly head again. So this time, I went all in and wrote this weird, quirky, sarcastic and funny book - covering the NO NONSENSE tips that actually make a difference for you or your loved ones. This is the largest problem we have in the United States, health-wise, for all races. this is the BIG ONE... I hope you check out the book and enjoy the way its written, I really focused on making this as enjoyable of a read as possible, and PLEASE EXCUSE THE INSANE RAMBLINGS
