

1471 A.D. - Ten years after the Battle of Towton, Sir Kenton le Bec (THE LION OF THE NORTH) serves Warwick, The Kingmaker, as the mans attack dog. There is no fiercer knight in Warwicks arsenal than Kenton le Bec, a powerful and cunning fighter. Kenton has been tasked with securing Babylon Castle, a fortress that secures a road between Lancashire and Yorkshire. It is a strategic castle and currently in the hands of Edwards forces. When Kenton and his army move in, all of that changes. Yet things are not always clear-cut.... Lady Nicola Aubrey-Thorne is the widow of a great Edwardian supporter. When Kenton conquers her home of Babylon Castle, she offers him nothing but resistance and hatred. Kenton sees a beautiful, spoiled woman who fights him on every turn, yet the spark of attraction is there. It has been since the beginning. As Kenton comes to learn the darker secrets of Babylon, he comes to understand Lady Thorne and her sorrows. And his attraction towards her grows beyond his control. Join Kenton and Nicola in a world of opposing loyalties yet united attraction. Their lives become irrevocably intertwined even if their loyalties to the men who would be king differ. The passion they feel for one another, and the love, is something few people ever experience. It is a complicated and complex situation, one where difficult decisions must be made if Kenton and Nicola are to remain together. When Kenton is captured by enemy soldiers, Nicola must do all she can to save the man who she once considered her enemy. Will she be too late?
