

## The Outdoor Bible New American Standard New Testament: With Free Burlap Bag

THE MOST LITERAL IS NOW MORE READABLE. The New American Standard Bible has been widely acclaimed as the most literally accurate translation from the original languages. Millions of people have trusted the NASB, learning from it and applying it to the challenges of their daily lives. The updated NASB continues this commitment to accuracy, while increasing clarity and readability. Innovative DryText format information: THE OUTDOOR BIBLEA is printed on 100% plastic material, which makes it a fully waterproof Bible. The DryText format also folds similar to a map but works just like a book, so it has no binding to break. It can be rained on, snowed on, or fully submerged in a body of water, with no damage. THE OUTDOOR BIBLEA is made to withstand the rigors of the outdoors, whether used on a backcountry trail, a boating trip, or at a park with your family, THE OUTDOOR BIBLEA will endure your chosen adventure. THE OUTDOOR BIBLEA will maintain its form during everyday handling and is resistant to typical outdoor wear and tear.
