

Mike is the top dog of his biker group, following in the footsteps of his late father. He has lived in the same small town his whole life and couldn't imagine living anywhere else. Unfortunately for him, he was still single and there weren't many options in town for him and most women were afraid of him. Women saw him and assumed that since he was a large burly bearded man, that it meant he was violent and threatening. He signed up for an online dating website just to see and he meets Joanna, Jo for short. She was dating a military man who she found out cheated on her while overseas and swore off dating. She was approaching 40 and decided to give it one more shot to see if she could find the love of her life somewhere out there and she signs up for a dating website. Mike and Jo match and begin chatting. They seem to really hit it off and only live a short drive apart! Jo feels like it is too good to be true. Mike is just a giant teddy bear who treats her incredibly well and she begins falling for him immediately. Unfortunately, Mike has a secret, and he knows that telling Jo that secret might ruin it all.
