

## The Philanthropist and the Paratrooper (Siren Publishing Everlasting Classic Manlove)

[Siren Everlasting Classic ManLove: Erotic Alternative Romance, M/M, HEA] Bradley Harrington had it all with his wealth and material possessions. Despite his riches, there was something missing, but he had no idea what it was. Leaving his wealth behind, Bradley sets out on a cross country journey to find his missing path in life. Trace Jennings was a soldier first and foremost. As part of Fort Braggs 82nd Airborne division, Trace thought he'd fight for his country until his dying day. Those plans were forever changed when a career ending injury rendered him permanently disabled. A chance encounter brings the two men face to face as Bradley takes an unexpected detour through Purgatoire Valley, Colorado. Though their initial meeting is anything but pleasant, soon things change and two men find themselves getting to know one another over a couple of beers. With a connection that is undeniable and strong, the two begin to realize that what they both may need the most is the very last thing they were looking for. \*\* A Siren Erotic Romance
