

## The Rancher and the Baby (Forever, Texas)

WRANGLIN WITH THE RANCHER? Cassidy McCullough cant remember a time when rancher Will Laredo wasnt a huge (albeit handsome) pain in her backside. In this small Texan town, their bickering is almost legendary. When they rescue a baby during a flash flood, however, Will and Cassidy suddenly find themselves temporary guardians of a child together. Will has a hard time holstering his temper around Cassidy. Now theyre both responsible for a lost baby, and darned if they cant stop arguing. The only way to make it through is to declare a cease-fire. And Lord help them both if that happens because then Will might just discover hes falling for his enemy.
