

The Rise of Rome Lecture Notes: A Companion to the 6-Lecture Video Series by Dr. William J. Neidinger

LECTURE NOTES TO ACCOMPANY THE 6-LECTURE VIDEO SERIES. Dr. William J. Neidinger has prepared a 6-lecture adult education series on video, The Rise of Rome. In this series, Dr. Neidinger explores the rise and fall of the Roman Republic. This new volume is a companion to the video series, and comprises lecture notes in outline format. Notes are illustrated with thumbnail color photos and maps referenced in the video programs. It is not a stand-alone account of the Roman Republic, but is meant to be used as a study guide by viewers of the video series. LECTURE TITLES: 1. Kings, the Foundation of Rome 2. The Republic: An Infant Democracy 3. The Road to Empire 4. Politicians, Generals, and the Mob 5. Conquest and Immigration 6. Why the Democracy Failed
