

Free Fall (Sisterhood Series)

The loyal friends who make up the Sisterhood have gathered at Myra Rutledges beautiful Virginia home for the first time in a year, eager to talk, laugh, and share their joys and heartaches. For one of their number, its an evening filled with anticipation. Because tonight, over delicious food and in the company of those she trusts most, it will finally be time to tell her story - and for the Sisterhood to help plan her revenge. Yoko Akias mother was only fifteen when a wealthy man swept her off her feet with promises of love. Instead, he filled her brief life with horror and misery. The Sisterhood has helped each other exact vengeance on rotten men before, but this time its different. Their target is none other than Americas favorite movie star - a brute who has conned the world into believing hes Mister Perfect. But hes about to learn that nobody - not even a powerful superstar - is above the Sisterhoods special brand of payback...
