

I Suck At Office Interviews- The VERY BASIC Guidelines for The Clueless

Did you ever wonder why you never got a follow up call from the interview that you felt good about? You're even thinking, I got the job. So why haven't you heard back from that dream job? Let's face it, we're not perfect. Is there something that could've gone wrong during the interview process? Of course! The problem is that friends and family give you positive support based on what YOU said about the interview. My job is to tell you what could've gone wrong. How you sucked. As a hiring manager, I interviewed thousands of job applicants. I have some real incidences to share with you and some Do Not guidelines. You might get that follow up call.
