

## The Limit of Desire (The Limit War Book 3)

Captain Jessa Tok is a veteran soldier, but when an artillery strike separates her from the squad she commands, it may be the end of her career and her life. Then a single Dawn Soldier fights his way behind enemy lines to find her. The last man she expected. The one soldier she had a fling with and was trying to forget. Sergeant Ryder Hiltop never thought of himself as a hero. He's a career soldier, just trying not to get killed. But when his captain is lost during an attack, he has to go find her. And not just for the sake of the other Dawn Soldiers. A shore leave with Jessa left an indelible mark on him, and he'll do anything to make sure she's safe. But is it a suicide mission to find her? And if they manage to fight their way to safety, can their brief affair grow into something more?
