

The World Actually Does Revolve Around You

This book is a journey to connection with the divine within you. If you've always wondered how this universe works and how you can manifest what you really desire, then this book is for you. In this book, you will learn: Practical techniques to connect to source energy so that you can live a more joyful life. Ten key principles to live by that will help you to let go of ego and embrace source energy. Why you haven't been manifesting the life you desire, and what to change to make that happen. How to let go of resistance and begin to live a life of joy and fulfillment. How your limiting beliefs are restricting your experience of life. My desire is that in reading this book you connect to the guidance you have within yourself and through this you live a life of love, joy and all that you desire.
