

Travels in Northern Greece, Vol. 1 of 4 (Classic Reprint)

Although the Four Journeys in Northern Greece which form the subject of these Volumes, are not strictly consecutive, in order of time, to the two Journeys, which constituted my Travels in the Morea, the present Work is in all other respects a continuation of the former, on the same plan; and the Preface of those volumes will equally apply to these. If the diurnal record of the traveller be not always the form of narrative most agreeable to the reader, it is, or ought to be, more faithful than any other, and consequently more useful to those who visit the countries described, especially when those countries have been little explored.
