

## Faith In The Great Southland (Truly Yours Digital Editions Book 316)

Elizabeth Waverly never dreamed that taking a convict transport back to her home in Australia would change her life. But from the moment she lays eyes on John Martin, she cannot resist her growing attraction to him. She knows the man faces a life sentence for murder, but her heart refuses to believe he is guilty of the charges against him. How could someone who so valiantly protects others and accepts another prisoners punishment be a brutal felon? Yet once the transport ship lands in Australia, their paths are bound to head in very different directions. Is their love destined to become a bittersweet memory of what might have been, or will faith show them another way?
