Under a New Star

In the 26th Century, mankind has breached the light speed barrier and begun to colonize other planets. Theyve also learned to Design human beings, known as Morphs, for specialized colony missions. Adrian is an Aerial Morph, on his way to colonize the low-gravity planet Eridani VI with his scientist Partner, Michael. In violation of the rules of the Morph Projects, theyve been lovers for months. Michael cares more about his work than anything, while Adrian doesnt take anything seriously except Michael. Before they arrive at their new home, they need to curtail their relationship before it destroys their professional Partnership. The colony ship is scheduled to arrive at their destination on Christmas Eve. Some old holiday traditions persist, but when Adrian and Michael have differing ideas about whats best for their relationship and their careers, holiday gifts and ideas for new beginnings lead to crossed signals. story from the Dreamspinner Press 2014 Advent Calendar package Celebrate!.
