Warning!: This book contains FREE BONUS BOOKS as a thank you for ordering. It also contains steamy romance scenes sure to entice you! An Appetite for Love Angelle Winters goes to the Island of Antigua seeking new talent for her company, Galaxy Entertainment, and meets two handsome men Blake Sinclaire and John Whitfield who co-own a beach-front restaurant. They take her under their wing, because several murders have occurred on the island and they fear for her safety, inasmuch as she is alone. Angelle, however, is considering both men as possible additions to her agency. Ultimately, Angelle entices Blake and John to return to Atlanta, Georgia, where Blake, becomes the Executive Chef in the employee dining room, and John is trained to take over Galaxys Island Talent division.

Angelle gives her best friend and partner, Violet, the task of training John. However, Violet is annoyed that Angelle brought in these men when employees already on staff are more qualified. As time wears on, however, Violet develops feelings for John, and Angelle is aware of it. The women are locked in a battle for his love. Angelle is profoundly conflicted, as she wants both Blake and John. When Violet apprises Angelle of the fact that two employees have gone missing, Angelle realizes that her preoccupation with her two lovers is clouding her judgment. Angry that she was left out of the loop, Angelle barges into the office of the HR director to complain about how the matter was being handled. Meanwhile, John and Blake carry on a clandestine fight over Angelle; though only Blake is in control of the situation. Who are these strange men, and what evil have they unleashed at Galaxy Entertainment? Which of these enigmatic men will Angelle choose to be her life mate, and depending on whom she winds up with, will her friendship with Violet survive the fierce tug of war? **WARNING:** This ebook
