

ONLINE DATING The Good, the Bad, and the Ugly

A quick guide to the perils and promises of Internet dating . . . written in a light humorous style, it provides the reader with a practical approach to successful/safe cyber dating. This writer's many years of experience as a relationship therapist makes him the perfect guide to help you negotiate a mode of dating that your momma couldn't have prepared you for. No -- Internet dating is not easily understood with just commonsense. It is a new phenomenon that still gets a lot of bad press and makes a typical newbie a tad apprehensive. This handbook for the savvy dater will provide you with a road map to guide you through the very mixed bag of personalities you will encounter on the digital super highway. Perfect for the busy reader -- it can be easily digested during a short flight or trip to your doctor's office. So peruse it ... and get ready to learn everything from the basics to sophisticated strategies for finding a rewarding date and maybe -- that special one.
