

45 Days with A Course in Miracles: A 45-Day Forgiveness Journal Blended with Insights from Kenneth Wapnick, Gary Renard, Jon Mundy & others (Volume 10)

This powerfully loving 45 Days With book is designed to accelerate your awakening by simplifying the often challenging task of reading the entire public domain book, A Course in Miracles. In this wonderfully small book, we combine the modern day wisdom and knowledge of several contemporary teachers of A Course in Miracles, such as Ken Wapnick, Gary Renard, Nouk Sanchez, and Jon Mundy with a transformative journaling action step each day. One of the most amazing parts of the book, A Course in Miracles, is that it specifically states that a universal theology is impossible, but a universal experience is not only possible but necessary. It emphasizes that it is but one version of the universal curriculum. There are many others, this one differing from them only in form. They all lead to God in the end. As most spiritual practices promote that their model has the truth, it has been refreshing to explore A Course in Miracles knowing that it clearly states it is only one of many versions of the universal curriculum. Ken Wapnick and other teachers have studied a plethora of different paths throughout their lives and we believe this is part of what allows them to be so relatable to everyone they encounter. The teachers and A Course in Miracles are highlighted for a moment of each day, and then you have the opportunity to accelerate your own spiritual journey, by journaling and/or practicing scribing in the accompanying pages. All the wisdom and insights shared within these pages from the teachers are from my interviews, talks and phone conversations with them during the years we have known them. I hope you find this material beneficial in your journey, as Kenneth Wapnick says, to the other side of the bridge. To fully benefit from this version of 45 Days With A Course in Miracles, please journal each day. It is not a task, but a wonderful opportunity to truly learn more about yourself and ACIM. If

you miss a day, simply pick up where you left off last. We hope you find joy, Inspiration and wisdom from this philosophy and your journaling.
