

## The One Who Makes My Heart Race

Meet Shelly, shes fast approaching thirty. With a budding career and a devoted boyfriend, everything in her life is going to plan. Until the unexpected happens Never fear, her trusty mates to the rescue. Meet Colin and Alberto, theyll help her through any and everything. Thank God their relationship is purely platonic. Things are so much easier when you deal with guys that youve friend-zoned. Right? She just needs to focus on turning her life back around and making things awesome again! Follow the trials and tribulations of lovable Shelly, her mishaps and her laugh out loud escapades in this roller-coaster of a story. The One Who Makes My Heart Race is the hilarious new novel by first time novelist Jaqueline Allsop.
